

Corporate America
Credit Union

December 15, 2011

To Whom It May Concern:

Corporate America Credit Union is pleased to provide verification of the completion of our annual audit of Automated Clearing House (ACH) rules compliance. The audit was performed by ALACHA as required by provisions outlined and in accordance with the requirements of Appendix Eight of NACHA's Operating Rules.

One of Corporate's many initiatives in serving our member credit unions has been and continues to be to provide competitively priced ACH services while providing solid technical support. The results of our audit indicate that Corporate America Credit Union is in compliance with NACHA's Operating Rules. Should you have any questions regarding our ACH services or this review, please contact Kathy Quimby, AAP, at 205-581-0104.

Sincerely,

Thomas D. Bonds, CPA
